PLAYING RULES

1. Mix up the cards, then place each card face down on a table in a grid formation.
2. Each player takes a turn flipping over two cards at a time to try and find a match.
3. If a match is made, the player keeps the cards. If no match is made, the cards are turned back over in the same place and the next player takes a turn.
4. Once all the pairs have been matched, the player with most pairs wins!
