READ ALOUD TIPS

Set the scene before you even start the book by talking about the cover!

1. Have you been to the ocean? What kind of things do you do when visiting the ocean?
2. Do you know what this is? (Point to lighthouse.) Give me a thumbs-up if you've ever seen a lighthouse! What do lighthouses do?
3. What kind of animal is this? (Point to otter.) Have you ever seen an otter in real life? How about a mermaid?
4. Have you ever heard of a kittenfish? Are kittenfish real? What do you think a kittenfish looks like?

While reading:

1. The perfect pet for Cadence is right under her fin! See if you can find the otter hiding on each page of the book.
2. If you were a mermaid, what would be the perfect pet for you?
